

# Patient Reported Outcome Measures

## PATIENT REPORTED OUTCOMES MATTER

At Sheppard Pratt, the information patients and caregivers share about their mental health and well-being matters. We collect information to understand more about our patients' mental health in order to improve their lives and provide care that addresses all of their needs.

## PATIENT QUESTIONNAIRES

Over the course of their treatment at Sheppard Pratt, patients or caregivers are given questionnaires to answer and provide important information about the patient's mental health and how it might be affecting different parts of their life. Patients may receive links to these questionnaires via email or text message and can complete them at their own pace. Alternatively, easy-to-use tablets are available at various Sheppard Pratt locations to complete the questionnaires.

## HOW IS THE INFORMATION USED?

The information obtained through the self-reported questionnaires will be shared with your health care provider. Our goal is to use your responses to inform and guide your care when applicable and to improve and explore additional ways to support patient care and treatment. The information may also help patients to make informed decisions.

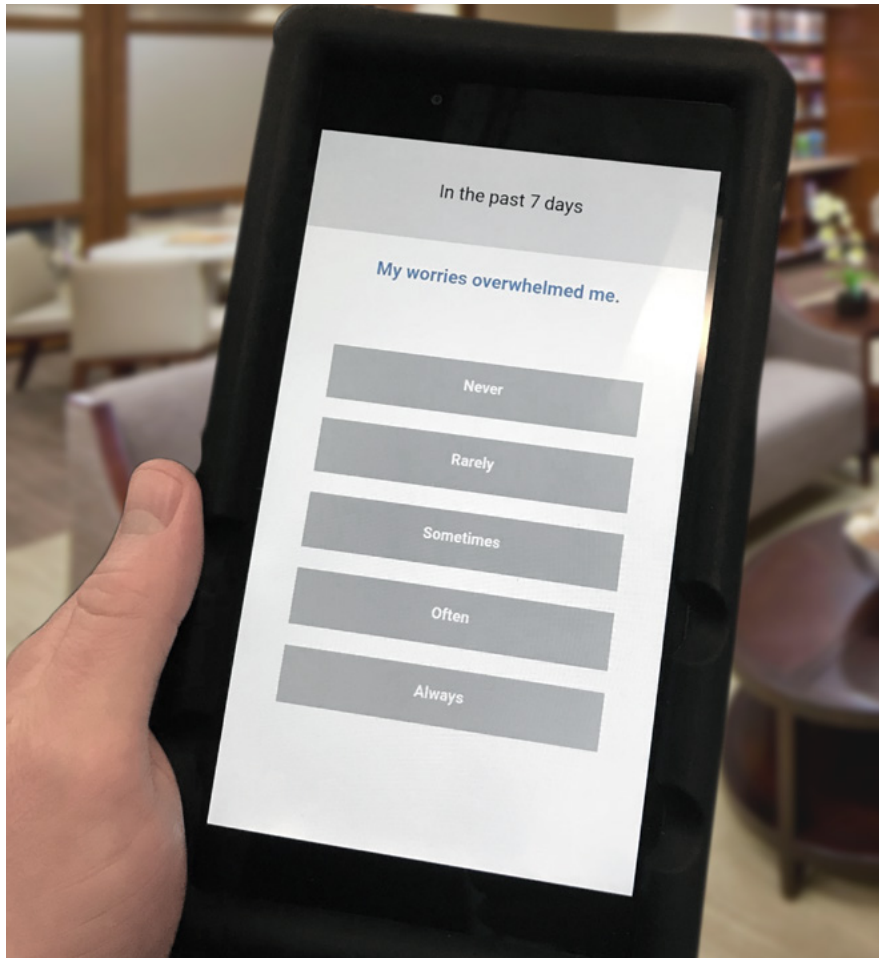

## FOR MORE INFORMATION

For more information, please go to [www.sheppardpratt.org/PROM](http://www.sheppardpratt.org/PROM).

If you have questions about the questionnaires or information that is obtained from the questionnaires, please talk to your clinician.

**Sheppard Pratt** is the largest private, nonprofit provider of mental health, substance use, developmental disability, special education, and social services in the country.

The services and facilities of Sheppard Pratt and its affiliates are operated on a nondiscriminatory basis. This policy prohibits discrimination on the basis of race, color, religion, gender, sexual orientation, age, national origin, disability, or any other basis proscribed by law. It applies to the provision of services, use of facilities, granting of accommodations, and opportunity to participate in programs or activities.
