

School Refusal Assessment Scale-Revised (SRAS)

Children sometimes have different reasons for not going to school. Some children feel badly at school, some have trouble with other people, some just want to be with their family, and others like to do things that are more fun outside of school.

The next few questions ask about why you don't want to go to school. For each question, select the answer that describes you best for the last few days.

Continue

In the last few days, how often do you have bad feelings about going to school because you are afraid of something related to school (for example, tests, school bus, teacher, fire alarm)?

- Never
